

Water Supply Upgrade Lending Program Application Form

Thank you for your interest in the Water Supply Upgrade Lending Program administered by the Municipality of the County of Victoria. By completing the below form, you are applying for low-interest financing from the Municipality to help you complete a Water Supply Upgrade on your property.

The Water Supply Upgrade Lending Program operates on a first come, first served basis until the Program budget for the fiscal year has been allocated. Should there be funding available for your proposed Water Supply Upgrade, you will be required to sign a **Water Supply Upgrade Lending Program - Financing Agreement** that outlines your roles and responsibilities as Qualifying Property Owner, as well as those of the Municipality.

Please complete this Registration Form and submit to the Municipality either in person, or via mail, or as scanned email attachments sent to alix.redden@countyvictoria.ns.ca.

An administration fee of \$230 (\$200 + HST) must accompany this form.
