

ReUse Centre – Municipality of Victoria County

Our hope is that as we divert materials from Nova Scotia landfills, we are also able to help local not-for-profits. Each not-for-profit will be provided with 4 consecutive Saturdays to operate the ReUse Centre. During this time, any proceeds collected are yours. Once dates have been selected for your group, you will be contacted.

Not-For profit Responsibilities:

- Provide your own cash/float
- Provide your own helpers
- Set your own prices
- Please provide us with a primary contact person (see below)

Please fill out the following application and send it to P.O. Box 370, Baddeck, N.S. B0E1B0 or email it to recycle@countyvictoria.ns.ca. Questions? Call 902-295-2117.
